SUBJECT: PROJECT MANAGEMENT TRAINING, PHASE 2 - PART 1

ADOT has completed the first phase of training for our new project management process. We are now ready to continue with Phase 2 - Part 1, which will consist of in-depth training in the areas of program and funding, design, construction, and maintenance. The training will be given by key ADOT staff members in those areas.

The training is being offered to consultant project managers. The training will consist of eight hours training over a two-day period. A schedule showing the training hours, dates, and locations is attached. Training has already been offered in Tucson and Flagstaff.

For reservations, please call Marlene Johnson at 255-6618
